

We are a volunteer, non-profit organization established in 1988 to honor the memory of Angela Grace Olivas. Angela fell victim to leukemia just shy of her fourth birthday. Our organization is dedicated in fighting this dreaded disease. Together with St. Joseph's Hospital, we have established the 'Angelita's Amigos Rooms' in their pediatric ward.

Fold

The 'family friendly' rooms provide comfort and amenities for the child as well as for their visiting loved ones. Our goal is to help the families of these children by providing them with the comforts of home.

Thank you for supporting
Angelita's Amigos.
